Applicant's small entity status, and the resulting fee is \$250.00. The Office Action was mailed on April 7, 2007, and set a shortened statutory period of three months for reply. This Notice of Appeal is being filed within the set period and, therefore, is timely. Applicant had previously filed another Notice of Appeal and another Appeal Brief, and paid fees therefor. Prosecution was reopened in response to the previous Appeal Brief. The Director is also authorized to charge all other fees necessary to file this paper and attached papers to the same deposit account.
